» OUR MISSION

Our Goal for OBSESS is to encourage young girls to live a life of surrender and devotion to God now when they are young. We believe that anyone on fire for God can be a bright light in a dark world no matter what age they are. Through OBSESS we hope to inspire girls to become obsessed with knowing God and making Him known to the world.

We were excited to participate in OBSESS again! This year we have some previous staff as well as some new faces! Check the website for more info. www.obsess.live

WHAT DOES 2024 HOLD??

OBSESS is designed to be a new challenge, to push the participants physically, mentally and spiritually. A lot of brainstorming is used to try for a unique experience each year.

Pray with us that the lives of those participating would be forever changed with the touch of the Divine!

THE THEME: MORE THAN CONQUERORS:

WEAPONS OF OUR WARFARE

A war has been fought for the souls of men since the Fall. The Enemy works tirelessly to deceive and destroy. He is a mighty foe, one who we cannot overcome on our own, and one of his greatest deceptions has been convincing us that the battle is not really very serious. All of us, whether you are a Christian or not, are facing spiritual warfare. The first step to winning the war is recognizing that there is one. Then, battle by battle, we must fight against sin, temptation, lies, and all other tactics of the Enemy. God's light and truth utterly destroys the work of the Enemy, Through Him we become more than conquerors.

HELPING YOUTH GET THE MOST OUT OF LIFE

OBSESS is a five day camp for girls ages 13-16, that will be held **June 19 - 23** at the Pleasant View Church Camp, in Sullivan, Illinois. The week is an intense time of edification and encouragement that consists of daily initiatives, sessions, and, of course, fun. Throughout OBSESS young girls will be stretched, sometimes beyond their comfort zone, with the purpose of instilling them with a passion for God and a desire to grow in Him
